

BLAKE WIRE AND CABLE SUPPLIER TERMS AND CONDITIONS

General Terms and Conditions	
QA 1	Machining suppliers must furnish inspection report, certificate of conformance and as applicable material and processing certifications for the parts, they submit to BWC.
QA 2	Documented first article inspection reports shall be submitted to BWC prior to the beginning of production. The supplier assumes all financial responsibility for replacement, rework, and material when production of parts is begun without first article inspection approval from quality. AS9102 f/a form when stipulated on .P.O.
QA 3	Any delay in shipment for any reason has to be conveyed to BWC quality as soon as the delay is known by the supplier.
QA 4	Any change to the contract requirements by the supplier must be approved by the BWC in writing. Notify BWC of changes in product and/or process, changes of suppliers, changes of manufacturing facility location and, where required, obtain BWC approval.
QA 5	All information in the contract must be held in confidence by the supplier and no third party request for information will be authorized unless instructed in writing by a BWC representative. When ITAR and/or government rated data is noted on the purchase order, the US government restrictions must be followed. If you have any questions concerning ITAR or government rating notify the company buyer. All concerns must be answered prior to you accepting this order. All documents to be retained for 10-year min unless extended retention is required by BWC or its customers.
QA 6	In addition to BWC's right of access, the supplier agrees to right of access for BWC customers, or regulatory agencies to the applicable areas of all facilities at any level of the supply chain, involved in the order and to all applicable records in the performance of this contract.
QA 7	Manufactures or machining suppliers must have a quality system in compliance to AS9003, AS9100, or ISO9001; BWC may make conditional exceptions based on supplier survey information or applicable customer requirements.
QA 8	Suppliers are required to notify quality prior to transferring any work to a new facility. BWC will determine (prior to the transfer) if the supplier may perform the transfer of work.
QA 9	The supplier shall have a counterfeit detection process that meets the intent of SAE standard AS5553, Counterfeit Electronics Parts, Avoidance, Detection, Mitigation, and Disposition and/or SAE Standard AS6174, Counterfeit Material: Assuring Acquisition of Authentic and Conforming Material, utilizing the appropriate Appendices as guidance. Companies shall have a counterfeit parts program plan to ensure it does not receive counterfeit parts into inventory, use them in manufacturing, or inadvertently sell them to other parties. The plan shall meet the intent of AS5553 paragraph 4.1 for electrical, electronic, electro-mechanical and electro-optical (EEE) parts and/or AS6174 paragraph 3.1 for material parts, assemblies or other procured items not covered by AS5553. All EEE component parts delivered and/or used in the manufacture of deliverable products shall be from the Original Component Manufacturer (OCM), Original Equipment Manufacturer (OEM) or franchised distributors or authorized Aftermarket Manufacturers (AM).
QA 10	Supplier must obtain BWC's approval for the disposition of nonconforming material.
QA 11	Requirements for the supplier to flow down to the supply chain the applicable requirements, including customer requirements in BWC purchasing documents, including key characteristics and applicable F.O.D. control processes where required.
QA 12	Requirements for the supplier to comply with executive order E13224. Supplier shall not engage in any transaction of any type with persons or businesses or organizations who commit, threaten to commit or support terrorism.
General Terms and Conditions combined for Processing suppliers.	
QA 13	Processing suppliers must furnish processing certifications to BWC purchase order requirements, and shall not process any parts for which they are not certificated or approved. All processing suppliers that use conflict materials (Tin, Tantalum, Tungsten, and Gold) must ensure that these materials come from a conflict-free source per the Dodd Frank act section 1502. An EICC Reporting template must be completed and sent to Mobius Ins. before the first shipment of product to BWC Acceptable quality system requirement are AC7004, ISO9001, or AS9100; BWC may make conditional exceptions based on supplier survey information or applicable customer requirements. Supplier must have the ability to ensure the adequacy of the special-process provided and provide BWC the required documentation per purchase order requirements. QA 3, QA 4, QA 5, QA 6, QA 8, QA 9, QA 10, QA 11, QA 12
General Terms and Conditions combined for Material suppliers.	
QA 14	Material suppliers must furnish material certifications to BWC purchase order requirements, and shall not supply material for which they are not certificated or approved. All material suppliers supplying conflict materials (Tin, Tantalum, Tungsten, and Gold) must ensure that these materials come from a conflict-free source per the Dodd Frank act section 1502. An EICC Reporting template must be completed and sent to Mobius Ins. before the first shipment of product to BWC When noted on our purchase orders, raw material supplied must be USA domestic material. Acceptable quality system requirements are ISO9001, AS9100 or AS9120; BWC may make conditional exceptions based on supplier survey information or applicable customer requirements. The Supplier must have the ability to ensure the adequacy of the product provided and provide BWC the required documentation per purchase order requirements. QA 3, QA 4, QA 5, QA 6, QA 8, QA 9, QA 10, QA 11, QA 12
General Terms and Conditions combined for Machining and Manufacturing suppliers.	
QA 15	For Machining and Manufacturing suppliers QA 1 - QA 12 are applicable. The Supplier must have the ability to ensure the adequacy of the product provided to BWC and provide the required documentation per purchase order requirements.
General Terms and Conditions combined for Calibration and Testing suppliers.	
QA 16	Calibration and Testing suppliers must furnish calibration/test reports to BWC purchase order requirements, and be traceable to the specific equipment or item for which they are calibrating or testing, traceability to NIST and/or other national or international standards must be supplied. ISO9001, ISO 17025, Nadcap testing, ANSI Z540, and/or Navlap accreditation will be the quality system requirements; BWC may make conditional exceptions based on supplier survey information or applicable customer requirements. QA 3, QA 4, QA 5, QA 6, QA 8, QA 9, QA 10, QA 11, QA 12.

All suppliers must comply with the general terms and conditions according to the commodity supplied. Additional terms and conditions will be noted on the Purchase Order as applicable.
